*Fax: 615-453-4610*

Dear Director:

As you know, your group is scheduled to perform at Wilson Central High School on the final day of the 2010 MTSBOA Sr. High Concert Performance Assessment. We just wanted to take this chance to forward information specific to our location, etc. so that you might make preparations for your travel.

Attached you will find directions to our campus. When you arrive, have your buses turn in the 2<sup>nd</sup> parking lot entrance (it's actually marked BUS ENTRANCE). They can park in any of the parking lots on that side of campus since we're on spring break. Please enter the building through the double doors to the right of all the garage bays. Please make sure to check in at the check-in table when you arrive and drop your judges' scores off (don't forget to number your measures). We will have student workers here to guide you from place to place while you are on campus.

We will have timpani, bass drum, marimba, vibraphone, xylophone, bells, chimes, and tam-tam for the stage performance. We will also have the items necessary to perform the sight-reading music (aside from snare drum). Please make your timpani players aware that the timpani on stage have pedals a little different than most models. They are a block type pedal system where you must release toe first when tuning. Please remember to bring your own cymbals/stands, snare drum, all sticks, mallets, and other implements, and any accessories needed for your group to perform.

Please be aware we probably won't have enough stands for everyone in warm-up, but we'll get as many as we can. As usual, your percussionists will need to leave warm-up about 10 minutes early to help set-up the stage. We should have a small crew available to help with setup. So it would be very helpful if you could provide a setup chart.

Other notes about the day--if your group needs to change before or after their performance, bathrooms are convenient as you enter the building. Our auditorium seats around 450 so we should have room for your group to listen to other groups perform. We plan to have our concession stand open to sell drinks and candy if your students would like to purchase them before/after your performance should time allow.

If you have any questions with regards to performing at Wilson Central, please don't hesitate to contact us.

We look forward to hearing your band on the 12<sup>th</sup>!

Sincerely,

Stacy Jernigan and Martin McFarlane  
Wilson Central Band Directors
