

# M.T.S.B.O.A. ALL MID-STATE REGISTRATION

*Check the online calendar for deadline*

School \_\_\_\_\_

Director \_\_\_\_\_

- Please send this form and one check for the total amount. You may combine schools on one check; if so, please indicate on the check which schools are paid by that check.
- Use a separate form for each school if registering for more than one school.
- Important: There must be a separate entry for each audition students will play. If a student is trying out for two instruments in the same organization (doubling) or trying out for more than one ensemble (band, orchestra and/or jazz) there must be two separate entries in the database.
- Please do not list a Junior High percussionist's secondary instrument as a second instrument on the registration; only use that field if they are auditioning on two PRIMARY instruments.
- Please send only one check per school. Do not send checks from individual students made payable to MTSBOA.

Mail all forms and fees to:
